## Michigan Lake & Stream Associations--Regions 1 and 5

**WHAT:**

**FREE** Lake Association  
Representatives Meeting

**WHEN:**

Saturday February 21, 2009, 1:00-4:00 PM

**WHERE:** Hamburg Township Senior Community Center, 10407 Merrill Road, Hamburg, MI.

The MLSA Regions 1 and 5 will be hosting a lake representatives meeting on Saturday February 21, 2009 at the Hamburg Township Senior Community Center. The meeting will be held in conjunction with the Hamburg Township annual CLMP Kick-Off Meeting. The purpose of the meeting will be to discuss the CLMP program and water quality monitoring in general, to enroll in the 2009 CLMP, and to provide an update on MLSA business. Jo Latimore, from MSU, will be talking about the CLMP program and Scott Brown and Pearl Bonnell from the MLSA will discuss MLSA news. Mike Bitondo from Hamburg Township will be attending on behalf of Hamburg Township. Following our presentations, we will allow time for a question/answer session so that attendees can discuss riparian issues and get feedback from the MLSA and other lake association members.

Please plan to attend. See map below for directions to the Hamburg Twp. Senior Center.
