*I hope you are enjoying this beautiful summer in Michigan and your lake. Fall is coming faster than most of us would like. To make the transition to fall a little less painful we would like to invite you or a representative from your lake to our fourth Annual MLSA Fall Seminar on September 20, 2008. I like to have the Fall Seminar in different counties in Region 8 each year. This year we have decided to have it in Lake County at the Lake Township Hall in Baldwin. I hope this will be convenient for you. We try to cover issues that affect your lake each year and this year is no different. We are pleased to have Region 4 join us for this Seminar. If you have not been able to join us in the past, our format gives you an opportunity to talk to the experts and other lake associations about problems that you may be facing on your lake. This year our speakers will be:*

Jennifer L. Jermalowicz-Jones -Water Resources Director Lakeshore Environmental, Inc

Cliff Bloom – Law, Weathers &Richardson, P.C.

Erin Charles - AmeriCorps Groundwater Educator Muskegon Conservation District

Scott Brown - Asst. Executive Director of Michigan Lakes and Streams

*Of course the most important speaker is you, I am amazed at the number of knowledgeable reparians we have in Region 8. If you don't come to hear our speakers, at least come and share your experience and knowledge. It is so important for us to share our problems and our solutions. With the state doing less and less, it is up to us to take care of our lakes and streams.*

*We try to keep the cost of the Fall Seminar as low as we possibly can. The cost of this year's seminar will be \$5.00. Lunch will be an additional \$5.00. We will have pizza, pop and chips brought in for lunch, if you cannot eat pizza please indicate that on your registration form and we will try to find a alternative lunch for you.. You may also bring your own lunch, if you prefer.*
